Dear Parent / Caregiver

Your child \_\_\_\_\_ has attended school today not wearing correct uniform or bringing a letter of explanation for this. The incorrect item/s is/are

---

The BOT policy is that all students will be wearing the full uniform. All students should be wearing a school hat during any break and physical education times.

Please either ensure that your child is in the correct uniform tomorrow, write a letter of explanation if there is a valid reason for your child not to be in uniform or ring or visit the principal or deputy principal if there is any reason that you are unable to provide your child with the correct uniform.

If your child is not in correct uniform tomorrow and you have not made contact with the school there will be consequences for your child as outlined in the school uniform policy attached to this letter. If providing a uniform is causing difficulty please contact the Deputy Principal to help arrive at a solution so that your child has the correct uniform.

It is important to us that your child feels part of our school and is able to concentrate on their learning without being stressed over uniform. Please let us work together so this can happen.

Yours sincerely
