WHANAU PICNIC 2021

What a successful evening we had last night, a great turn out. A big ngā mihi to all whānau who were able to attend the picnic evening. As always, we are extremely grateful for your ongoing participation and contributions at our Kura as we continue to grow and evolve here at Tainui Full Primary.

Your voice is important to us, we want to know about you as a whānau, your child's strengths, interests and their areas of development. We encourage you to be involved, we don't always get things right so please tell us if we don't and together, we can make it better, your contributions matter. Remember we have multiple ways for you to contact your teacher(s) – class Facebook messenger, text, email, school app, call, face to face. If you require more than a 5 minute catch up book in a time and this can be arranged.

An effective partnership will make a huge impact on your child's learning.

Nga pēpi Manu-Transition to school

Kia Ora, Kia Orana Talofa lava & greetings whānau,
Our Ngā Pēpi Manu programme supports your tamariki during their transition to primary school life. Every child adapts differently when finding a sense of belonging in new environments, all who are involved should make this a positive experience. We will work together to create a plan and timetable that will suit the needs of the child and family. Our programme will run Monday to Thursday from 9am-1pm. The number of visits we recommend before starting school is six weeks. In the first three weeks visits will be two times a week and the last three weeks, visits will be three times a week. If there is a need for more visits to support the transition, that can be arranged. We look forward to meeting with you and working together to grow competent and confident children for our future.
Kia manuia

Updating personal information

If you have recently changed address or phone numbers it is extremely important that you let the school know. If anything were to happen to your Tamariki and we needed to contact you urgently we need to have the right information. I know this is not something that comes to the top of your head when moving or changing numbers but please make a mental note☺
If you are unsure we have the right info please contact the office.

AFTER SCHOOL CARE PROGRAM...

Tainui's after school care program runs from
3:00 - 5:30pm Monday - Friday
\$4.50 per hour for the first child then \$3.50 per hour for each additional sibling.

If this is something you are interested in please pop into the office and see one of our lovely office ladies for more information.
